Every one knows Abraham Lincoln...  
 He was the 16th president, he was born on February 12, 1809, in a log cabin in Hardin County, Kentucky. In 1830, the family moved to Illinois. He practiced law in Springfield, Illinois, and was very popular in the court circuit. He was elected president in 1860 and "guided" the nation through the civil war. Lincoln was elected to a second term in 1864 and the civil war ended. April 9, 1865. Five days later Lincoln was shot in the head with a 44 caliber. A heavy lead slug about the size of a marble was shot by John Wilkes Booth of Virginia. He died from that gunshot wound April 15, 1865.
