

# What is SHIT? <sup>417</sup>

Why is everyone afraid of Poop?  
Why are people so shy when it  
comes to "taking a shit"? Why does  
Poop smell like that?

It's a trick...

Why does fart have the word "ART"  
inside? Let me show you!

The word SHIT is a clue...  
It's an acronym for "See" "how"  
"it" "tastes", or "Show" "her" "its" "tasty"...

Yummy Butt

That smell that your so  
afraid of is an aphrodisiac.  
You don't know this because you have  
been lied to your entire life. Start  
licken' ass... and you won't be able  
to stop. It's the fuckin' Best!

OK, lets be honest and go  
back to your childhood, that's right  
remember farting in bed and using  
the covers to "fan" the fart so  
you can smell it better? MMMMMM...  
Now your either smiling right now  
or your a big ass fuckin Liar,

and your Afraid of a fart! LOL  
 So you remember that you like the  
 smell of methane ("so called") lets  
 look at a couple words associated  
 with farts & shit.

• flatulence.

- cell - a jail
- fun - to have fun, to play and get amused
- eat - to put into your mouth & swallow

This is exactly what happens in  
 every jail and prison around the  
 world. People constantly farting, and  
 people constantly **MAKING** jokes...  
 You put me in a cell and I  
 figured this out, and now I'm going  
 to ruin your whole system that  
 you've built with "fart information."
