

Chart | Is it Random? 61

This next part I will show

- A = ① you that each word in this
 B = ② list has been pre-determined by
 C = ③ the Creator... These words were
 D = ④ "thought up" by different individuals
 E = ⑤ over many years. Using basic numerology
 F = ⑥ you can clearly see that all the
 G = ⑦ words in these lists are represented
 H = ⑧ by a 1 or a 7. This clearly proves
 I = ⑨ that these individuals were forced
 J = ① to think of the exact words that
 K = ② the Creator chose previously. You
 L = ③ can see by looking with your own
 M = ④ eyes that each word "chosen" starts
 N = ⑤ ONLY with a A, G, J, P, S, or Y.
 O = ⑥ A quick look at the "Chart" shows
 P = ⑦ these letters match either a 1 or a
 Q = ⑧ 7. I have selected three
 R = ⑨ major categories... the "System",
 S = ① "Solar System", and "Armed forces"
 T = ② Let's have a look at every
 U = ③ major words that are affiliated
 V = ④ with each category.
 W = ⑤  Anagram → • Get a Cory •
 X = ⑥
 Y = ⑦ • Get - to understand
 Z = ⑧ • A - used to indicate an individual
 • Cory - Me, Silly!

OK, now that you've seen
 the pattern with your own eyes
 you can CLEARLY see
 that ONE PERSON or
 BEING chose all of the
 words. A specific structure
 can be seen. Linguistically,
 speaking one can see a "pattern,"
 of organization separated by
 something as simple as numerology.
 Hidden in plain sight!

It's "Random"... is that
 what you think? Could this
 all be a "Random Selection?"
