Life embeds us with thousands of unanswered questions... Simultaneously setting us up with an internal lie detector... (it's the thing where when you think no ones looking, and later in life when you ponder said incident, your 'relieved' no one knows..) Only everyone is going to know now. Your deepest secrets, set me free (as well as yourself). That's Fear... that's what that is when you think about whatever secret your thinking about now, and you have the feeling in your stomach.. And you think "I hope I don't get caught"... This is 'your demon'... Demons are real!, demon is an anagram for: 'Men Do'... This is the weird, freaky shit men/women do...It's normal! Your not a monster for doing that shit, were monsters for the way we treat people. Fear and man's Pride has bamboozled your ass! Perfect love casteth out all fear... Read it 2x.. People are all afraid of sex shit...We should be fucking instead of fighting... I Timothy 6:17 "trust in the living God, who giveth us all things to enjoy". 'All things' means: EVERYTHING! Not what you say I can have or do.. If you lock your doors and do something, only to tell your child not to do not only what the fuck your doing, but what you did when you was your child's age, then are seriously warping your child's mind in its tender grow up period!!! Your a slut ('Whore' has-'HE, HER WE' inside! Both sexes are covered, as well as the word 'WE' (which in case you don't get it means :'US'!! You wanted fucked, you're a fuckin' liar if you say you didn't! Only your daughter wonders about promiscuity only to find when answers are dug for, is that she will be thought of as a 'slut' if she has sex... But a dude can crash bitches 247 and he's the man?? I'm calling BULLSHIT!!! You ever see a bitch that is getting such good cock that she literally looks like an insane animal? Screaming , moaning, carrying on with the look in her eyes like she'd obey your every command? Suckin' any fuckin thing in the room?! Fuckin & Sucking Machines! At birth, a pacifier is PLUNGED without permission in your mouth, INSTANTLY! This is only the tip of the tip of the iceberg that's so fuckin big I need a week straight to explain shit.. That's what WE are! Listen prude fucks... When your makin that face when your cummin' (like you robbin' a motherfucker with a gun) that's YOU... FIRST of all, your going to be that monster you see in the mirror when your fucking... All 'scary' and 'mad lookin', pumpin' and pumpin' with EVERYTHING you got...Questions is, are you going to be the monster in the sack, or in the street??? See, YOU HAVE TO let this monster (m. e. n. is in mOnSTeR) out from time to exercise your/it's demons (demon anagram: men do) , sorry I mean Instincts, Needs, and Drives... (Your 'id' [not I.D.] your 'id'.. YOU MUST look up the word 'id'!) I wrote the word 'exercises' earlier... See the word 's e x' in the word 'exercises'? That's how should be exercising.. SEX! FUCKING! The words are the clues.. (like your name that lists your fate, each word list the 'fate' of each word... Fucking GENIUS at the HIGHEST level!!) I will prove this NOW! The letters used to make up the word can also be rearranged to form other words... This enables us to search for something more... But why the search? Why the 'clues'??? Answers easy.. A fuckin warning!! Clues that ALREADY use 'scientific principles' to uncover something HUGE, that proves that every single thing was created by One Single Something (Yahweh)! Plus there are codes, messages, validations, that exist in all forms of printed media, that fits into a MATRIX style layout. This 'grouping of' certain words, and assigning 'preselected numeric values', that not only fill in and form a grid showing various words (behavior patterns) that are assigned a numeric value. laying to rest the age old question of why we keep hearing the phrase 'the numbers don't lie' , and what it 'really means', and why it's important for you to see what the fuck I'm tryin' to say Cuzzzz... Back to the clues that are in the words... Next, three examples (I literally have THOUSANDS!) that a 6 year old could see crystal clear.. So check it: 'TRICHOMES': (the crystallized resin sacks that appear on marijuana right before harvest, and must be harvested in a timely manner...) You can sell this shit and get rich, or heat with a torch and smoke... There is a 'strict short trim time', and you have to store these TRICHOMES correctly... 'STRICT SHORT TRIM TIME, STORE CORRECT, TORCH ME, HE'S RICH'! I just spelled the instructions for the word 'TRICHOMES", using only the letters found in the word 'TRICHOMES'... NEXT EXAMPLE!! 'PRAY'... 'PRAY' has the words "PA", and 'AY' ('rap, yap, ray' also)... 'PA' means: 'FATHER', and 'AY' means: 'ALWAYS'.. The verses say: pray to the Father who is in heaven (Matthew 6:6), and "pray without ceasing"(I Thessalonians 5:17)... That means Pray: 'ALWAYS' to the Father without stopping.. Questions that never

get answered, only more lies. These loose ends have a place in your life now... That's what WE are!
Listen prude fucks... When your makin that face when your cummin' (like your robbin' a motherfucker
with a gun!?) REMEMBER THAT! I Corinthians 1:19 For it is written, I will destroy the wisdom of the wise,
and bring to nothing the understanding of the prudent.
