

# What Am I?

What the fuck is this shit?  
is this all really about paying bills?  
Are we really just animals?

\* Romans 1:25 Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed forever. A-men.

God calls us "creatures"...

• creature - A lower animal, also a human being

Did you see it → ANIMAL ...

We are ANIMALS!!!, WOW!!!

Animals act instinctively!!!

• Instinct - a largely inheritable and unalterable tendency of an organism to make a complex and specific response to environmental stimuli without involving reason; behavior originating below the conscious level; a natural aptitude

• Aptitude - appropriateness

• unalterable - not capable of being changed

This means that you **cant change** shit!

## Are Animal Dangerous?

• Dangerous - able or likely to inflict injury

\* I John 3:15 Whosoever hateth his brother is a murderer; and ye know that no murderer hath eternal life abiding in him.

- Whosoever = who ever; Any one
- Hateth = to find distasteful; to loathe
- Brother = kinsman
- Murderer = one who kills

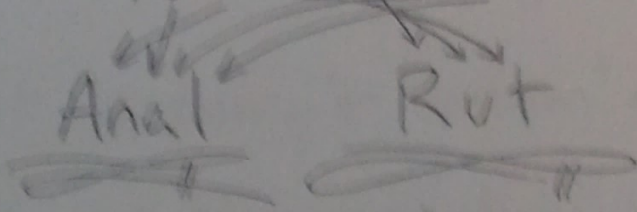

Let me clarify this for ya...  
 If you don't like someone, then the bible says that you are a murderer!

## A Natural born Killer

Wow, people are dangerous... Killers...

• Natural.

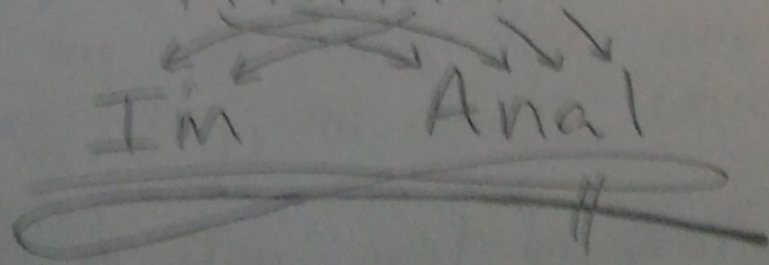

Diagram →

- Anal = of, relating to, situated near, or involving the anus
- Rut = state or period of sexual excitement

• Animal.

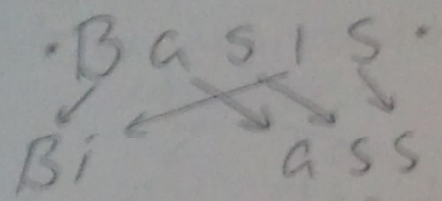

Diagram →

is this all about ASS?

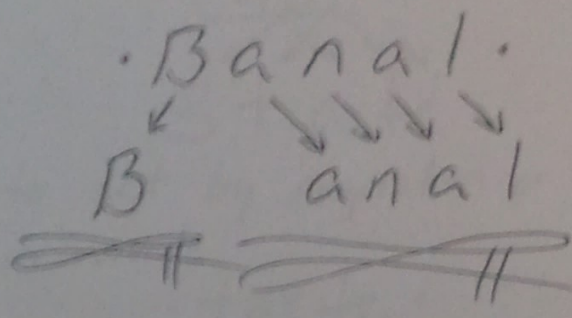

• Basis - the starting point; the core

Analogy →

- Bi - having sexual desires for both sexes
- ASS - your ass

• Banal - ordinary; commonplace

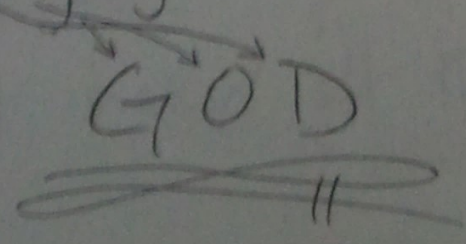

is it "ordinary" or "common" to "B" anal?

is ASS the starting point?

is this why dogs, which are also animals start out a new relationship by sniffing the anus of another dog, no matter which sex it is?

Could a dog just be another clue?

OK, if I was raised at your house, and you were raised at my house, would I like the same things you like, and would you like the same things I like?

So would I like spinach (I do NOT) if I was fed spinach as an infant? If all food tasted like spinach would I have died of starvation? Have you ever tried "Baby formula"? It's horrible... have you ever wondered how babies drink that shit?

Is ASS an acquired taste? Why do dogs like it so much?

Why do I like it so much?

I fuckin' love ~~her~~ <sup>her</sup> ~~her~~ <sup>her</sup> bitches in their ass holes!!! After I fuck a bitch in her ass she always wants to taste my cock!!! Why is this?

• Acquired

Required

• required = mandatory; to deem **necessary**

or essential.

Necessary or essential...  
lets have a look see at these words...

• Necessary.

Near Ass

- Near - approach
- ASS - your butt hole baby!

• Essential.

eat a teen ass

Words are clues... We know because Pontius Pilate's name is an anagram. It spells his fate, "Set nails up top", he had Jesus nailed to the cross. This is a Big ASS Clue...

- Necessary - what you need; Imperative
  - Essential - of the "utmost importance"
- I feel like it is "utmost important" that I eat a ~~biker~~ Ass...
